

We create chemistry

Please attach the completed return form to your return. This is not a requirement for an efficient execution of your revocation, but it simplifies the processing of your return.

Please send back the goods as a stamped return. We ask you to refrain from carriage forward returns.

After your return been received, assessed and recorded your will receive your reimbursement or the alternative product immediately. You will be informed via email once your return is in process.

If oyu have any questions we are happy to be at your disposal!
